

Job Opportunities - Machine Operator and Maintenance Technician

Join Our Team!

Bambuparque is looking for a dedicated professional to join our team! We are looking for someone with practical experience and a valid license to operate machinery such as Merlo handlers, mini excavators and tractors.

Main Responsibilities:

- Skilled operation and routine maintenance of machinery, including chainsaws, brushcutters and other equipment.
- Support in maintaining the irrigation system and distributing the necessary chemicals.
- Support in nursery activities, including peat preparation, loading pallets onto trucks, among other essential daily operations.

Requirements:

- Valid license to operate heavy machinery.
- Experience in equipment maintenance, basic mechanical skills and familiarity with irrigation systems and handling chemicals.
- Teamwork attitude and willingness to support other tasks in the nursery as required.

If you're a dedicated professional with the skills we're looking for, we'd like to meet you! Join Bambuparque and be part of an innovative team with a passion for bamboo and sustainability.
